

**Register Your Chapter for the
Fifth Annual Illinois Region
Lincoln Lock In
February 4th and 5th!!!**

The Lincoln Lock In is a fellowship event combined with team building and civic engagement activities for the Illinois Region. Since the event is largely financed by regional funds, registration per participant will be only \$25.00 per attendee.

It will be the first Saturday after all Hallmark entries are due to arrive at Phi Theta Kappa headquarters. This will provide the Illinois chapters a time for celebration in that all have survived the annual hallmark ritual. In addition it will allow us the opportunity to tour the state capital and visit the Abraham Lincoln Presidential Museum prior to the Lock In fellowship activities. **A popular change last year was eating dinner at Robbie's Restaurant as a private party just for Phi Theta Kappans. This will continue this Lincoln Lock In. Robbies is two blocks from the museum, so the sooner you can email your registration, the easier it will be for making food arrangements.**

Attached please find the registration form along with a detailed agenda, maps, directions, and more.

Please advise students to get their college student I.D. if they do not already have one to save costs at the museum. Region will reimburse chapters if they provide a receipt showing student prices.

If your chapter cannot send a check by the date on the registration form; at minimum send your registration form ASAP via email attachment and bring the check or cash to the event.

Any questions about this event email delder@harpercollege.edu

Hope to see your chapter in Springfield!

David A. Elder, Regional Coordinator, Phi Theta Kappa Illinois
